

Chestnut Meadow Park - Covid-19 Update 20.3.2020

Our customers' and our staff wellbeing is our top priority. In light of the UK government's latest advice and due to the ever changing circumstances surrounding the coronavirus and the uncertainties that come with it, we have taken the heart breaking decision to remain closed indefinitely.

The Government have announced this evening that all social public places must close immediately, we understand and support their decision.

We will continue to follow Government advice and will continuously monitor the situation. Our aim will be to open as soon as it is deemed safe for our customers and staff. Please keep an eye on our website and social media for further updates.

We appreciate the distress this action will cause but we do hope that our customers will understand and support our decision. Our country has never before faced this kind of threat to public health. We feel, we are doing the right thing.

Bookings already placed can be moved to a later date for either 2020 or 2021 season, or, we will refund in full, monies that we have received for a booking should a customer prefer to cancel.

Our phone lines have been incredibly busy during this week so If you would like us to contact you directly please email us at info@chestnutmeadow.co.uk and we will respond as quickly as we can. You can also register with us for direct email updates via our website. There is a SIGN UP NOW! Button at the bottom of every page on our website, this will allow us to contact you directly as soon as we are able to reopen.

We really do hope that due to the incredible will and determination of the fabulous public in our country this awful virus will swiftly be defeated and normal life can resume.

Until then please take care and stay safe.
